Dear Mr. and Mrs. Boldin,

I am grateful to know about the Rosary Evangelization Apostolate's feature length film on the rosary to be shown nationwide in this coming year. Please know of my prayers and best wishes for its success, and the hope that the faithful of the Diocese of Rockford will be able to view it and benefit spiritually from it.

We honor Our Blessed Mother, not only because she gave birth to the Son of God, but also because she was the most perfect among us as a disciple and a follower of Christ. Those lessons of generosity, fidelity and commitment to Christ, so well summarized in the Mysteries of the Rosary, are a timeless lesson for all of us.

With prayerful best wishes for the success of the production of this important film, I am

Sincerely yours in Christ,

+ David J. Malloy
