

Opening Prayer for the Rosary

Come Holy Spirit, help us to gaze on the face of Jesus with the eyes and heart of Mary, so we may grow in holiness. Blessed Mother Mary, we ask you to present this rosary to Jesus, present in the holy Eucharist in the tabernacles of our churches, as we pray for the cause of peace and the family and all our personal intentions. O Mary, our hearts are full of concerns. We offer them all to Jesus, through you.

Amen.
