Dear Friends,

All of the saints throughout the history of the Church have lauded the spiritual efficacy of the rosary as a profound meditation on the life of Christ and the Blessed Virgin Mary. In these times of challenge and difficulty, we need to turn to the powerful intercession of the Mother of God as never before.

This beautiful film artistically details the beauty, truth and love of God that we encounter every time we pick up our rosary beads and ask Mary to share with us the treasures of Jesus stored in her heart.

Peace and blessings!

Sincerely in Christ,

Most Reverend Donald J. Hying
Bishop of Gary
