Mr. Dick Boldin  
Rosary Evangelization Apostolate  
PO Box 305  
Oak Creek, WI 53154

Dear Dick,

Thank you for your letter sharing with me the endeavor being undertaken by the Rosary Evangelization Apostolate in producing the film *Power In My Hands*.

I am appreciative of your continued work in the promotion of this powerful devotion, especially considering we are celebrating the 100<sup>th</sup> Anniversary of the apparitions of Our Lady of Fatima, who instructed us to pray the rosary every day to obtain peace in the world, the need for which seems to grow greater and greater with each passing day.

Therefore, I would like this letter to serve as a personal endorsement of the Rosary Evangelization Apostolate film *Power In My Hands*. I will certainly keep these efforts in my prayers and help where I can.

Thank you, Dick, for the leadership and devotion you continue to provide for this apostolate. Know that you, too, will continue to be in my prayers.

With every good wish and blessing, I remain,

Sincerely yours in Christ,
