Dear Dick and Terry,

Thank you for your recent letter regarding the Rosary Evangelization Apostolate's upcoming production of a feature length film on the rosary entitled, "*Power in My Hands*". As your letter indicates, this film will focus on the powerful influence that praying the rosary can have on individuals, families and the broader community. Our country is suffering a spiritual crisis and I am confident that this project will have a profound spiritual impact on those who have an opportunity to view it.

I am happy to join Archbishop ListECKI and my brother bishops in endorsing this initiative and am confident that it will produce many blessings. It is my sincere hope that this project will be a means to foster greater Christian values in our families and communities and that the prayers being offered as a result will bring many closer to Jesus through Mary, His Blessed Mother.

With prayers for you and your ministry, I remain

Sincerely yours in the Lord,

Most Reverend James P. Powers
Bishop of Superior
