Dear Mr. and Mrs. Boldin:

Our Blessed Mother has to be smiling down upon you as you continue to give her the honor that is her due as the Mother of Jesus.

Not only did you found The Rosary Evangelization Apostolate in 2003 but now you are producing the rosary documentary film *Power in My Hands*, anticipated by the fall of 2017 to provide a message of hope for a world in need.

I fully endorse your project and pray that the result will be as you plan: a spiritual boost for families around the world, a deeper love of our Blessed Mother and a commitment to the rosary as a powerful tool of prayer.

Grateful for our belief that "Nothing is Impossible with God," I am

Your brother in Christ,

+ *David A. Zubik*
